Transportation Coordinator

Habilitation Assistance Corporation

📅 2009 - 2015 📍 Pocasset, MA

Habilitation Assistance Corporation's mission is to support individuals in realizing their personal visions.

- Promoted twice and earned 6 awards within a 5 year period.

EDUCATION

Computer Science

Cape Cod Community College

📅 2012 - ongoing

STRENGTHS

Natural Leader

Promoted to management role at several organizations.

The extra mile is just part of the job

Awarded the "Gumby Award" in 2015. This award is given to one employee per year who shows the willingness to go above and beyond on a regular basis.

Always Dependable

Awarded for attendance 5 years in a row.

PROJECTS

Project Janus

Janus uses facial recognition technology to help users choose music based on their mood. Users can either upload a file or take a photo from within the app. Janus will analyze the photo and return a customized playlist from Spotify.

- Tech used: Angular, Express, Node, PHP, Spotify API, Microsoft Oxford Emotion API

TechNation

TechNation is a fully custom e-commerce solution designed for a recycling company to buy used electronics. This site has a hand-coded dashboard that is capable of managing and tracking orders, managing customer details and a full featured product management system.

- Tech used: Angular, Mongo, Express, Node, Sendgrid API, Mailchimp
